Inclement Weather Policy:

People sometimes wonder if the church will be open when there is inclement weather, such as a snowstorm or freezing rain. The Church Council recently adopted a policy that, for the sake of clarity, **we will follow local school closings due to weather emergencies**, and the church will do the same. Thus, if the Neenah, Menasha, Appleton school districts announce that schools will be closed due to weather, the church offices will also be closed that day. If area schools have a two-hour delay in order to allow road crews to clear the streets, St. Paul will also have a two-hour delay. (In that case, church offices will open at 10:00 a.m. instead of our normal 8:00 a.m.) The same would hold true for early release due to storms. Any time the National Weather Service has forecast a storm, please check your local listings – radio, local television stations, and internet postings will have area school closings.
